Kaledo is a design solution that enables fashion companies to create innovative designs and styles for a variety of fabrics in record time. With Kaledo, you can create new and unique designs for your own pieces, without the hassle of lengthy fittings. Kaledo is a designer software. It allows you to create designs for any kind of clothing and accessories. Including for children's, sports, travel, bathing and other types of clothing and accessories. Using the program, you can create sketches for both new products and for reworking finished models.
