"If you want to know what it means to be alive, look at a farm. A farm is not only one of the most ancient, and certainly one of the most beautiful ways of life on this planet. It is also a mirror. As you can see, farmers don't get too excited by either their own success or lack of it: they only look at the mirror in which they see themselves. That is what they live by and it is an idyllic life" – Alfons Huxley Explore the beautifully crafted world of The Angry Farm and help the neighbors! You will find many quirky animals who will give you a helping hand. A variety of challenging levels will make you play Angry Farm like never before. Visit lush forests, breathtaking mountains and verdant valleys. Walk around the farm and see all the animals, trees and hillsides to discover. Use your time to enjoy or to use as much as you can, make your choices. Come visit the Angry Farm! The original Angry Farm invites you to show a kindness towards the animals and help them to live a happy life. Discover many nice features including animation, a colorful and lively pixel art style, a wide range of customization options, a wide selection of characters and a huge variety of gameplay levels. Collect 20 different animals from the diverse and beautiful farm for different achievements. Help the animals of the farm to reach their happiness level and bring smiles to their faces by killing all the creatures. You will also collect numerous items for a deeper gameplay experience. The Angry Farm is intended to entertain all ages with its fun graphics and addictive gameplay. The Angry Farm is an indie game developed by Mr Litschek. Angry Farm was founded in 2014 by Guy Litschek and Anton Litschek. It was released in May 2015 by Fivesyndicate Games. Angry Farm has received positive reviews. Features: High quality pixel art graphics that offers a unique experience A huge variety of gameplay levels, each one more engaging and challenging than the one before A wide selection of customization options Dynamic music, sound effects, and music videos Beautiful and friendly characters from cute to fiendish Scenes and characters inspired by films Multiple endings that will keep you hooked Ideal to make your time pass. Being blessed with a good sense of humor, Mr Litschek released the Angry Farm which transports us to the beautiful game
