In anticipation of the upcoming release of the FINAL FANTASY VII Remake, FINAL FANTASY is getting ready to launch FINAL FANTASY DIMENSIONS. This is a game based on FINAL FANTASY VII, and features it's world. *This game is only for FINAL FANTASY fans. How to Play FINAL FANTASY DIMENSIONS is a fantasy action RPG that puts you in the role of a character who awakens among a kingdom in the Lands Between, a world set between two worlds: the world of humans and the world of monsters. A popular RPG game FINAL FANTASY DIMENSIONS is about a boy who becomes the savior of the final fantasy and he fights to protect the world and the magic that created the world. *There is no story dialogue, and there are no words appearing in the game. There are main characters with whom you can form a party to fight an enemy, and the battle system in which the characters in the party perform actions and receive damage. *With FINAL FANTASY DIMENSIONS, you can create a party of four characters with different gender, and change the party members' level and class. There are also different types of armor to equip, and magic to learn and use. *The game is designed to be played by four people and you can enjoy the game in a party environment. *The graphics are rich and detailed, and there is an incredible amount of experience in the game. *The music, sound effects, and background graphics are great. The sound effects and music are superb, and you'll feel

the emotions of the characters when you play. ※It is recommended to play with speakers. FINAL FANTASY DIMENSIONS is supported by (PS4 /PS Vita /WII U /WII S /PC). FEATURES The joys of FINAL FANTASY DIMENSIONS are its battles, with which you can enjoy the excitement of a turn-based RPG and the intense challenge of a standard action RPG. ※ In FINAL FANTASY DIMENSIONS, you can decide the direction of the battle. You can use special skills and magic, and even use appropriate objects and monsters in the battlefield. ※ You can enjoy the game by switching between the two different battle systems. The action RPG where you use items, and the turn-based RPG where you use the different skills and magic. ※ In

This was a game that has been one of my most anticipated for a long time and I'm happy to say it did not disappoint me at all and the core concept of the game is really

cool. It's like a cross between a real time strategy game and a dungeon crawler with RPG elements and the graphics are wonderful and the game keeps you really interested in it as you play it. The game has a pretty robust crafting system and you can craft weapons, armor, and different varieties of elixir which is used to heal and also to give you buffs. I enjoyed it the first time I played it and there's a free demo if you want to try the game out before you buy it. I think the concept behind the game is really cool and a fun fantasy setting, and it looks really great. It's a game that I think can be really fun for a lot of people and I think if you like RPG's you're really going to enjoy it, that is if you like RPG's. Overall, I think this game is really fun and it's a really good game, but it's also really short, so if you're looking for something that is really lengthy, you should look elsewhere. I've been waiting for a long time for this game and I am so happy that finally that day has come, and I really love it. It's a really fun game and fun to play, and I really like the art style and the music as well. It's really interesting and really fun, and I love that

there's crafting too and that you can customize your character and that's really cool. I really like this game and I recommend it to everyone. Overall, I think this game is really, really good and everyone should play it, but if you do decide to play it, you should still expect a short length due to the game's length. I really loved the concept behind this game and I really wish I could've played it a bit longer, but even as short as it is, the game plays well and has a really cool fighting system. I really enjoyed the game and I can't wait to see what else they come out with. I really liked the concept of the game and the art style. In a fight scene, you bff6bb2d33

Priscilla John Scholarship Winners Announced
Members of the Peoria Board of Education and Area Foundation recently announced that five local high school seniors will receive the Priscilla John Memorial Scholarship this year. Each winner is awarded a \$1,000 scholarship to be used for college tuition. The scholarships will be presented at a

luncheon on Feb. 13 at the Golden Heart Luncheon Club. The scholarships were awarded to the following students: • Julianne Williams, son of Daniel and Phyllis Williams, of Pekin. • Leah Neff, daughter of Mark and Debra Neff, of Peoria. • Sammy Dowell, son of Kim and Don Dowell, of Peoria. • Thomas Shields, son of James Shields, of Peoria. • Carol Korts of Peoria. The scholarships were established to honor the memory of the late Priscilla John, a 1980 graduate of Grant Community College. You don't have to have a "really good grade" to win a prize. If you show up to the Peoria Board of Education, you have a chance to win one of two \$500 scholarships or a \$250 scholarship. The deadline is Jan. 31. Like what you're reading?
