Various known coin-operated machines for cleaning or filtering substances dispersed in water, in particular, for cleaning and/or filtering salt and for filtering and/or cleaning oil contained in raw or used water, for example, in swimming pools, spas, hot tubs, and the like, serve the purpose of cleaning and/or cleaning dishes and the like, by cleaning with the aid of a filter. In this connection, this group of coin-operated washing and/or cleaning devices has long been known in the prior art. The term "washing and/or cleaning" is considered to be interchangeable with the expression "water filtration". When cleaning a hot tub, for example, which contains water having a certain degree of impurities, in particular, hard water having different degrees of hardness, the water must be cleaned first in a preliminary cleaning apparatus, in particular, in a preliminary filtering apparatus, which is frequently constructed as a salt bowl or the like, and only subsequently cleaned in the washing and/or cleaning apparatus of the hot tub. The preliminary filter must be placed directly beneath the preliminary filter, and must be supplied with the used salt or salt solution from a salt tank (salt bowl) which is used for preliminary cleaning. A filter

2017/07/21(Sun) 13:05:27 No.158018729 Welcome to THE WORLD OF ELDREN RING- English ? The game The world of Elden Ring Cracked Version has become a very interesting world, the lush greenery, the clear blue sky, the calm night, with the only sounds of nature's strange noises and the light of the moon's reflection. The environment, the air of the land and the voices of your companions merge together into an enchanting world. The sun's rays disappear at sunset and the moon disappears in the midnight sky. I can feel the coolness of the night enveloping the world. The game world is like a fairy tale where the hero is hunted. The evidence and the scale of the world that we can travel are of a gigantic scale. The world is as big as the fantasy film that I like to see and feel. Although there is no scenery that particularly charmed me, each area has been designed thoroughly. I am impressed. I look forward to the heroes, the power of the adventurers, the class-based system, etc. in the rich world. I hope that the world expands in the near future. 2017/07/20(Fri) 15:24:31 No.158002495 Thank you so much for buying the game. Elden Ring

RPGS • RPG with a deep story? This is an RPG in which the story is the center of the gameplay. Intense and deep in the narrative, this is an RPG that has not simply changed the original style.
• Join the side of Heaven and Earth The story of the game is the theme of the conflict between the White Dragon, representing the Empire of Heaven, and the Black Dragon, representing the Empire of Hell. Tarnish, an unwanted child born with the power of the Devil, is trapped by the Alliance of Heaven and the Alliance of Hell, waiting to start a great war.
• With the power of God The story of the game is that which occurs as Tarnish, a man called out of nothing, breaks through his past and achieves a divine power. The Elden Ring is an expansion of the Empire of Heaven and Earth, thus containing characters from both the White Dragon and the Black Dragon, and the story is what occurs as the two nations are fighting against each other, not the story of a single character. The Empire of Heaven and Earth that appeared in the original Empire of Heaven and Earth will be the main protagonist, and the characters that appear in the original Empire of Heaven and Earth (such as the ultimate hero, Noblesse) will be the support character that joins the party.
Story of the Empire of Heaven and Earth: The Empire of Heaven and Earth was once the United Kingdom of Europe. However, the high taxes forced the working class to revolt, and thus, England fell into upheaval. The United States of America were created, and at the same time, Ireland and Germany broke away. Thus, the United Kingdom fell into an era of civil war. Finally, the present day that we live in now is a result of the war between the Alliance of Heaven and the Alliance of Hell. The Empire of Heaven and Earth also has France and other European countries. Before the Empire of Heaven and Earth began to take shape, the original countries of the United Kingdom of Europe came into conflict with each other, and civil war prevailed. The United Kingdom had no clear and unified government, and thus, there were endless civil wars in its history. The United Kingdom of Europe is now, and its government is little more than an agent of the Alliance of Heaven and the Alliance of Hell. The Alliance of Heaven and the Alliance of Hell are the two nations that joined together

What's new in Elden Ring:

Ghostwire (2017) (eng) IMDb: 6.1 2017 85 min Sam is a police detective with a secret: For several years, she has been using a parapsychology device called a Ghostwire to hunt and capture ghosts in a desperate effort to keep them from picking her brain in order to kill her. But even though she's always managed to snap the perpetrators before they can finish their job, no one believes the cases are real, and Sam, suffering from constant insomnia, is sent to a psych ward — which just so happens to be the home of a ghost who's been haunting her life for years. The Breadwinner (2017) (eng) IMDb: 6.3 2017 89 min With The Breadwinner, Ginnifer Goodwin (Once Upon a Time, Big Love, Girl Meets World) plays the title role in a visually stunning animated feature from StudioCanal and Working Title. The film follows a young girl (Goodwin) who lives with her grandmother in Afghanistan as an aircraft mechanic during World War II. She dreams of one day attending the United States, but must flee when the Communists take control of the region. While attempting to return home via train, Ginnifer's luck changes for the better when she meets a young American pilot and falls in love with him. As they head home, the Germans start bombing the country and the pair become separated. She struggles to survive, and faces a crucial life and death decision in the city of Ghara, an enemy stronghold. Border: Season 1 (2017) IMDb: 6.9 2017 An international co-production between Kombat, HBO and Canada's Family Channel the era-defining drama series Border follows the lives of three diverse characters as they fight for their family in the frozen border zone between America and Canada, where the environment has forced them to live. Arrow: Season 6 (2017) IMDb: 7.2 2017 Keven Coval, Emily Bett Rickards, Stephen Amell, Willa Holland, Katie Cassidy, Echo Kellum, Susanna Thompson and Rick Gonzalez, executive producers Greg Berlanti, Marc Guggenheim, Andrew Kreisberg, Sarah Schechter, Katie Cassidy, Caroline Dwyer "Carrie Merz", Warner Bros. Television; Brett Gurewitz &#
