Pathfinder Chronicles is a standalone product with an epic scope that presents a heroic struggle for survival in a region previously unknown to the Pathfinder campaign setting. The setting is a place of mystic ruins and unimaginable treasure – a place filled with monsters, guerrillas, and desperate adventures. The Setting Pathfinder Chronicles: Heart of the Jungle presents an out of this world scenario that draws from the rich history of the Pathfinder Roleplaying Game. Featuring new rules on magic and combat plus exciting new thematic races, the Pathfinder Chronicles are designed to evoke the flavor and atmosphere of classic sword-and-sorcery gaming. The Road to

Adventurer's Guide to the Pathfinder Chronicles: Heart of the Jungle expands on the guidelines in the Roleplaying Game and provides new suggestions for a good adventure from the jungles of Mwangi Expanse, Africa. It will soon be available from the Fantasy Grounds website.

CITIES, CULTURE, AND CIVILIZATION

The most common form of culture in the Mwangi Expanse is city culture. City-dwellers and rural settlers have lived together side by side for decades. Some cities have very little contact with the rest of the world, and some exist to trade with civilizations from the outside. The current leaders of the new world have established a puppet government that makes some decisions for them, and they have left their political apparatus to wither.

With the different cultures clashing and their jealousies growing, with the jungle in turmoil due to its mysterious plant life, the Mwangi Expanse is ripe for a land grab by anyone who can take advantage of the situation. Even a country with a poor agricultural base, still trading with the outside world, has the chance for greatness if they get a little lucky.

LAKE MWAKI: AFRICA'S MOST TREASURE ISLAND Everyone knows there are precious stones and metals in the Mwangi Expanse, but no one has ever found the true treasures that few men have even dreamed of. Indeed, rumor has it that the very existence of this continent is dependent upon the existence of a mythical island that lies in the center of the Mwangi Expanse. Legend says that a fierce guardian lurks in the Cradle of Life, the

wellspring of this continent, and it keeps in check the fearsome beast that dwells inside of it. When first explorers came upon the region, they named it after a particular landmark – Lake Mwaki. The centuries-old tales of this lake's
