have been a happy owner of your product for
about a month now. I'm using it in conjunction
with FluidMotion and the icons have a very fluid
motion to them. I recently went for an upgrade
and am so happy I did it. The product is very
solid, easy to use, fast and works flawlessly. The
author is a real pro and this product really shines
because of that. So far no glitch! I have been a

I like the fluid effect. I'd love to see a Fractal Icon Repair feature. When you're using GUI tools, you must manually resize the icons. Is that what you wanted to convey? -Noel. I'm not sure if it is an ICON task, I like the software and it does all the job for me. I'd love to see a Fractal Icon Repair feature. When 3a67dffeec
