Rambo - 180952[Passive immunity to human respiratory syncytial virus infection]. We studied clinical immunogenicity and immunogenicity of different doses of RSV immunoglobulin (RSV-Ig) in 22 infants with acute respiratory syncytial virus (RSV) bronchiolitis. Passive immunization with RSV-Ig at doses of 10 and 15 mg/kg of body weight, 3 times a week, for 4 weeks was found to be an effective prophylaxis against respiratory syncytial virus bronchiolitis. A single-dose passive immunization with RSV-Ig at a dose of 15

mg/kg of body weight showed a protective effect on RSV bronchiolitis. RSV-Ig was well tolerated and produced no serious adverse reactions.

Good Morning So, my best friend and I are

heading out to a wedding this weekend. I had an adorable little friend to wear to the wedding and I really want to turn her into a celebrity. I was lucky enough to get this yummy dress in a return, but it is on the cheap side so I'm going to have to give it a makeover. Plus the dress has a lovely bodice but it is oh so short. Anyways here's what I'm working with: I'd love to have some ideas for other things I could do with this dress to give it a more flattering shape as well as some things I could add to make it so she can last all night at the wedding. Any feedback would be great. Also I had a one paragraph convo with my mom about my friend and I and I was wondering if that makes me look a little bit desperate. She said I sounded like I was asking for something and she has a feeling I've had this before and I just didn't think to ask. I'm sure that's not it but at least I asked so I can help my friends out if my mom is right. Plus we're heading out to a big city so I didn't want to go to a store by myself.
