"I really liked the story, the atmosphere, and the feel-good factor that this game has. I also really love the atmosphere of the scares. From what I saw, they are perfectly done. I just couldn't stop laughing during the games. In the beginning of the game, you're thrust into the story, which I really liked. The game left me wanting to know more, which is something I really like in a game. I'm a huge fan of horror games, so this is right up my alley.
