Complete 1-Player Experiences - Vs. / Co-Op * In the PS4 version, you can go to the Settings?Single Player/Online mode?Start a game to start a co-op game with another player. * In the PS Vita version, you can play the story mode with an online multiplayer. ? Story The game is set in the Lands Between. It is said that the world will be destroyed in 5 days. The young prince is fighting to save the world from the destruction. This game is basically made to tell the players a great story about the reality of the world. Although this game is a role-playing game, it is totally different from other role-playing games. And most importantly, unlike other role-playing games, this game is a mystery story that you can play by yourself. ? Creating Your Own Adventure The game allows you to create your own Adventure from beginning to end. Since this is a role-playing game, you can create a map and perform actions, as you can create your own map. You can freely connect different elements in this game, and connect the story line. Even if you do not know much about RPG, you can still make a great adventure with a variety of maps that you create. ? Cross-Platform Play You can play and enjoy this game on the PS4 or PS Vita with your friends and family. Even in other platforms, you can enjoy the same game on devices with an internet connection. ? Gorgeous Graphics The game uses the "Vav" graphics engine, which implements the "3D engine". The graphics have a wide variety of beautiful designs and detailed components, and even use the latest visual technologies. Since the game does not have a detailed battle system, you can enjoy the gorgeous graphics without any trouble at all. ? A Variety of Monsters You will encounter a variety of monsters, such as Vampires, Demons, Dragons, Werewolves, and Other Others. In addition to these, various enemies such as
