The world is empty. There is no sun or moon. There is only the void, which stretches for eternity in every direction. Now, a figure appears. ◇ “Hello, there...” The figure is the elder god of the underworld, Erebus. He kneels before you, inviting you to play in his world. You can carry a sword on your back or magic in your hands, and you can ride a horse or run on the ground. Depending on your equipment and play style, you can fight countless enemies and perform magic, and you will discover an unlimited number of quests and adventures. In the Lands Between, you will be forced to confront your feelings with truth and live in the blizzard of emotions. However, you will receive

guidance from the elder god of the underworld, Erebus, and through the “Lands Between” system, you will fight alongside others as the hero of this magical world. You will fully enjoy the freedom of action that only online games can offer. Enjoy Online Action Role-Playing with Tarnished

Features Key:

When should I play? You may play without a group, but it is more fun to play in groups, and you can make friends with other adventurers while riding on quest mounts! Additionally, a greater variety of party members and quests will be offered.

Online Community You can join a guild and receive guild goods from the character of your choice. Players can talk to each other, hunt for rare items, and communicate in the same chat room.

Fighting Game Enter into battle and show how good you are! You can enjoy battles against opponents as you versus AI-controlled or real-time opponents.

Arrow Key or Fight System Enter a boss battle with just a single arrow key! For those seeking a unique battle system, this is your game! You can enjoy using the combat system featuring the fighting system, or you can just enjoy the gameplay.

Wizardry Elements Many players enjoyed the fun and exciting battles provided through the GW engine. Those who enjoy weapons are able to enjoy the atmosphere expressed in Wizardry, which emphasizes the magic element of the GW games. You can enjoy the adventure of roleplaying for yourself as well as enjoying the world of such a magical fantasy.

Amazeballs 12-28-2004, 05:49 AM Im gonna buy this game And I know what its about but I love rpg's like this. me like's magic items and skills and fighting Pretty darn fine. I was told to watch magic buffs. Ok. If I want dumbed down I cant wait to play Wesnoth. -_- Anyways. Anyway: anything about mount then Alfie
12-28-2004, 05:55 AM Hmm... I'm going to pick this up simply because I'd appreciate an updated and fun take on the elder scrolls franchise. Much like Skyrim, I'll play this solely due to the fact that it will be very enjoyable. I know what it's about already, but that's why I love roleplaying games. Oh, and when are you going to have a copy of Sanctum? You've been working pretty hard on that lately. :P Master_Consul
12-28-2004, 06:02 AM This game looks pretty good! There's a lot of

How To Crack:

First, download and extract the “.rar” file, and run it using WinRAR. (To do this, follow the image shown below.)

A window will pop up and ask “Replace the previous installation”. Choose “Yes, overwrite” and click “Install” (You can also confirm this choice by clicking the “Skip [QUIT]” button. The installation will begin automatically when completed.)

Play the game. The game can now be played via the Launcher. (You can find the Launcher in the main menu.)

Map the launcher files into the game engine folder. Doing this can enhance the game in such way as to enhance the game performance, and to improve the stability of the game upon loading. (For this, refer to the detail inside the Crack file folder.)

Rename all.txt files as.bak. Do this by switching to your desktop then searching for “Elden Ring.txt” and delete all those found. After this, please extract the Crack folder.

After having all the files renamed as.bak, please run Setup.exe to install the game.

Due to changes in the update build, please rename the.esm (Extended Support Module) with.tfx. This is possible if you have the old.esm file in the Crack folder.

Please insert the MOD file “Elden Ring-12384.esm” into the game folder.

Add RMB in the game and click “Skip [3]”.

Hold the “B” button to see the “Install [5]” button. Click it and wait for the game to complete the installation (Please note that it takes long).

Finally, click the “Exit” button to start the game.

Install the Mod and Cracked files by installing the respective.rar/.zip files. For this, please refer to the README file that comes with it.

WARNING: Cracked files will be stored in your game-book/data folder.

Please do not remove other
