The Eggys Games Flash Collection is the collection of 22 games originally released by Eggys Games which includes some popular games, one of which being Animal of Pixels. In this collection we include all games which were made by Eggys Games but the collection also contains all games from other developers which Eggys Games acquired or worked with which were part of the team. It was our first collection which made the concept for this collection possible. Animal of Pixels Animal of Pixels is a game by Eggys Games. It was released on April 24th, 2007. It is a turn based puzzle platformer which utilizes single and multiplayer modes. It has a pick up and play type of gameplay in the single player. The game also has a social networking feature which allows you to unlock achievements as you play through the game with other people. Draw-Play Draw-Play is a game by Eggys Games. It was released on April 22nd, 2007. It is a flash game which is played by allowing you to draw the shapes on the screen to make the playable character move. In the game you can play multiple levels of the game, or you can play the game itself. Every line you draw that is touching an existing line that has been drawn will create a new playable character! You can also use the characters for the power ups in the game. Pinch Pinch is a game by Eggys Games. It was released on August 20th, 2007. In this puzzle game you can use the player 1 and player 2 modes to move around in the world and if you touch an object it will collapse like in Puyo Puyo Tetris. If you try to move while in the air the game will let you drop and not let you move. In the bonus section of the game there is a mini-game called the pinching game. In this game you just have to pinch your friend! Bug Hero Bug Hero is a game by Eggys Games. It was released on March 21st, 2008. It is a platformer where you have to attack the bugs by punching them. At the end of the game you can challenge your friends to see who can beat the highest level. This is a very easy game to beat due to the easy difficulty. The bonus section of the game has a mini-game called ghost horse. In this game you have to find the ghost of a horse which you can either buy or find. Snake Detective Snake Detective is a game by Eggys Games.
