**LandShade "Online Play must be connected so that a player may directly connect with the server and even travel together. For this reason, multiplayer is not supported when playing on iPhone/iPod and is, therefore, an optional feature."- Montague Evan Jameson, CEO of WebkinzLife.-July 2006 You'll get a tour to the gorgeous WebkinzLife offices on a nice, clean and not too early Tuesday morning. We'll gather in the lunchroom and take a tour around the place. We'll meet the amazing team and find out all about the game! You'll do a quick round of introductions and then we'll be off to our first game of Lands Between! The game is a new release by WebkinzLife that's filled with lots of action and adventure. This game will have you fighting and going on quests in an amazing open world. You'll meet other players who you'll be able to travel with and perhaps even befriend. Maybe you will even help them out. We're going to start out easy with a few quests. It's good practice to start off with something that uses typical RPG commands. Once we have that first experience in our systems, we'll try to shift to more of an adventure game, which should be more familiar to you. As you explore a world filled with awesome creatures, battles, and more, you'll want to keep an eye out for creatures you can capture and sell. Also, if you trade with others, you'll want to make sure you take the best deals and have a lot of treasure. We're in the middle of testing the game for online play on the PlayStation 2, so the PC version is in Beta. When this game comes out on the PC, you can be sure that it will come with online play and**
