Never too late to reinvent oneself This year Hollywood turned its sights to the zombie genre and snapped up remake rights to the 1985 Dawn of the Dead. Movie-maker Zack Snyder (300) has been signed on to direct, but his plans have been complicated by the fact that the film will be shot simultaneously in the US and Canada. Although the film has the potential to be very much a zombie movie, Snyder has made no secret that his focus will be on the social situation in the aftermath of the outbreak, when we see what happens when a seemingly ideal society is suddenly disrupted by the undead threat. Snyder has reportedly set up a company called White Oak Films to handle the film's North American distribution. He says the film will be primarily set in and around Chicago, with many of the action scenes filmed in Montreal's Cineplex Odeon. 'Zack Snyder is an amazing director,' said White Oak CEO Eric Newman in a statement. 'His epic vision for Dawn of the Dead, set in the aftermath of a viral outbreak, is exactly what the horror genre needs at this time. We are thrilled to be bringing Zack's epic

vision to life in North America. " Snyder is hoping to cast 300 star Gerard Butler as one of the leads, and that

Studio, makers of Ragnarok Online, announce the upcoming release of Chronicles of Elyria in 2018. The Softlight Studio set itself out as a project over years ago. But what was supposed to be a foray into the realm of video games has instead become a journey, a pursuit to share with others the gift of life with their audience and the world. Chronicles of Elyria is a new RPG inspired by epic fantasy stories, including World of Warcraft and Dragon Age. It is a game in which you can develop, explore a vast open world, interact with a cast of players in real-time. Besides forming your own group, you can explore the world and cooperate with other players. The game promises quality with a commitment to their vision from an experienced studio such as the Softlight Studio. They already have 24 people working on the game, a team that is continually growing and that is developing with the cooperation of the players. Chronicles of Elyria is the first game that the Softlight Studio will release. Part of this new adventure is the availability of a new trailer that shows some of the game mechanics and aspects of

the characters. It
