57e3912b3cEven Steven's has taken an elevated, in-depth look at the upcoming new "Young Avengers." It's a fantastic look that you can check out here and in the related links at the bottom of this post. In the meantime, here are two new covers for the book, from writers Hope Nicholson and Chris Sebela. The book is available for pre-order from Amazon.com for \$2.99, with comics such as Brian Michael Bendis' new "Ultimate Comics: Avengers #1" and the first issue of "The Ultimates" arriving on the bookstands this week. The trade paperback edition goes on sale in August. This isn't the first time the book has gotten this kind of look — back in April, we posted a little interview we did with Christina and Daniel Holloway, the husband-and-wife team of artists who were the book's original colorists. (The Holloways have since moved on and worked on "Ultimate Spider-Man").
