Icepower 125asx2 Designer Manual!!Posts [ 2 ] Topic: Glassdoor - Why hire me? Now that you have all of this information, what are you going to do with it? Glassdoor can take care of that. You can bring the hiring professional in your life up to speed on the Glassdoor interview questionnaire. This is an actual test that candidates are presented with after receiving a job offer from a company. It gives you an idea as to what their life is like as a employee. They ask general questions that you can use to determine the following:- The culture of the company - Job expectations and if they align with your own - Their workspace - The work-life balance - How they enjoy the company - Salary and benefits While you may not need to know these answers right away, they give you a good idea of what to
