Audi S4. Having problems with the PCM gauge display? I have a 2005 Audi S4 3.0T quattro and the centre console part i am having problems with is the PCM gauge display. . Ive taken the bonnet off and been looking at various sections of the display and i cannot see any wires coming from the instrument panel to the display. They look like they might be jumpered together into the display but im not sure exactly. I am not familiar with this display and am in need of some help. The PCM on my S4 is in a different location than in a V8. Below is a picture of my display. 12/03/2017. Thanks ahead of time. HELP!!
