This OPEL VECTRA B 1995-2002 repair manual is an inexpensive way to keep you.This application claims priority from Australian Application No. 80/81863 filed Oct. 11, 1980. The present invention relates to a crystalline form of N-(4-chlorophenyl)-3,3,3-trifluoro-N-methylpropanamide hydrochloride, which is described as being a useful prodrug of the analgesic compound ibuprofen. The present invention further relates to the compound N-(4-chlorophenyl)-3,3,3-trifluoro-N-methylpropanamide hydrochloride and the pharmaceutically acceptable salts thereof. Treatment of pain which is chronic in nature can be difficult and treatments for chronic pain include the use of analgesics which are potent analgesics but which also exhibit undesirable side effects, e.g. constipation and/or drowsiness, and which can themselves be addictive.A method of the type stated above is known, for example, from EP 0 734 954 B1. In this method, it is first of all examined whether or not the first operating condition has been complied with, i.e. whether the motor vehicle has reached a safe velocity which lies above a predetermined velocity threshold, in which case the restart process is effected, or whether or not the motor vehicle has not complied with the first operating condition. In the event that the latter is the case, it is then determined whether or not the second operating condition (“calibration condition”) has been complied with. In this case, if the motor vehicle has not complied with the second operating condition, the ignition-off process, i.e. the cessation of the engine operation 6d1f23a050
