Â Â Â Â . . Their version of the app will scan only the music files that the user has directly from a file system. . Then the user can take a screenshot with the app and open it in a Photoshop document to get the desired look. . Today was a major milestone for us. The live event was planned months in advance. . It was the first time that we worked on a project that was bigger than what 6d1f23a050
