What could be better than to get a chance to take your DJI off the ground for some test flights? Better yet, if you're thinking about getting a new DJI, now's the time to do it. If you are planning on getting one this year you can do so and have your monthly payment credited back into your DJI account. For this promotion, we are discounting our Build, Buy, Fly DJI package by \$100 or \$200. This allows you to save \$150 or \$300 off of our normal price for this package, which includes: two free flights, annual membership, two free sets of the DJI Goggles, one free San Francisco to LA or Dubai and an exclusive yearly business/media package for unlimited free flights. It's a great time to try out your new drone, and save up to \$450 off of our normal package price! There's no reason to fly high-tech today. With this offer you will be able to purchase a simple, reliable drone that can take you even further. It's the kind of drone you can take everywhere with you. Why not rent a DJI Phantom 2 for a couple of hours? The drones you can rent are some of the best you can get on the market and you can take as many photos or videos as you like. If you can't imagine what using a drone can do, here are some cool videos from DJI's archives to convince you. With this offer you can get two flights for free, which in California can provide you with some great photo and video opportunities. It will even give you a chance to fly your drone on California roads and lakes, without any restriction! As much fun as it is to play with your camera or to go for a bike ride, why not have your drone take you for a ride
