description: the eastwest hollywood orchestra series is considered to be one of the best orchestra libraries in the world. these extensive libraries have been recorded, engineered and produced with the superior level of audio quality for which the eastwest brand is renowned. the hollywood orchestra includes a complete head and full body orchestra with a wide variety of orchestral instruments. the library provides the widest range of

instrument sounds you can imagine, giving you all the tools you need to create any orchestral, rock, jazz, and chamber music style imaginable. the hollywood orchestra series is considered to be the premier symphonic library in the world. this series provides players and composers the tools to create virtually any style imaginable. you can choose from over forty orchestral instruments, full ensembles, or use them all together to recreate a complete orchestral performance. the

hollywood orchestra series is a collection of orchestral instruments that was recorded in 5 of the world's finest concert halls and movie studios. no other orchestral library provides such easy access to these classic performance spaces.
