English Grammar Today Paperback - January 1, 2019 Turkish edition by Murat Kurt (Author). Unlike the English edition, which had over 300 grammatical comments and illustrations, only the illustrations are given here. All English sentences are given in American and British versions. Each proposal is given a small comment, as well as rules in the form of a table. This is done to make it easier to find the rules you need. An English-Turkish dictionary is given at the end of the book. This book is intended for a wide range of English learners. Soft cover book. Contents: 1. Introduction. dd2bc28256
