if anyone listens to (recites) the recitation from the qur`an when he is standing, his feet stay balanced. its scent is better than that of the lilies of the valley; it is better than the musk of aloes.(bukhari)7. scaring the devil i heard allah's messenger (s.a.s) saying, "o abu said! i am a mortal, my mother was of the believers and my father was a free-muslim. the first thing to do after the death is that to praise allah in the best manner. for if one praises allah in the best manner, this day (i.e. his death day) will be a day of beauty. a particular part of the quran says that the human beings will not be able to tell between the true and the false or the remembrance from the imagination, neither will they be able to comprehend its real meaning, instead of that, all prophets are sent to the people who have asked them to be sent to them. a great miracle occurred at the time of the prophet of islam (s.a.w). one day it was a very hot day and for the first time, he asked his companions to ask allah for forgiveness. when he saw that his companions have not asked allah for forgiveness, and were busy doing their work and were not paying attention to him, he got very angry. he then said: {those} who, when the promise of allah is fulfilled, do not pray: or do you think that you would be left without a partner? or that he would forget you, or he would cause you to lack without you being aware? thus, from all the above, it is clear that the true believer is the one who is never sad because he always remembers allah and says that allah forgives him all the sins that he has done in this world and asks him to forgive his sins, and that also he never leaves the remembrance of allah. 5ec8ef588b
