## **Tafsir Al Maraghi Bahasa Indones |LINK|**

The author of the Tafsir al-Maraghi explained all of the concepts in the Tafsir through the word of Allah and His Messenger (pBUH). According to these concepts are the ruh al-insaf, the jafr, the ruh al-janum and the nafs al-lawwamah. The ruh al-insaf refers to the spiritual matter of the soul, the first element of the body of human beings, (Faisal, 2014). An example of this is the ruh al-insaf is the ruh al-janum, consisting of spirits, the physical body of human beings, and the ruh al-nafs, consisting of the nafs (the soul) [77-78]. The major themes of al-Quran al-Karim are contemplation and concentration, a logical, step-by-step approach and an inter-textual analysis that explained verses of the sacred scripture in the context of the Qur'anic tradition of its main sources; from which the study of the Qur'anic text was composed in the presence of an authentically transmitted hadith. Its subjects are more than three centuries of the Qur'anic sciences and some advanced issues on Quranic exegesis. Briefly, the commentary covers: the history of the revelation of the Qur'an; the question of the Qur'an; the authenticity of the Qur'an; the exegesis of the chapters of the Qur'an; the relationship between Qur'an and the teachings of the Prophet; God; prophets and messengers; the nature of revelation; character of the divine revelation; the Holy Qur'an; the Qur'an and the Qur'anic sciences; and the correct interpretation of the Qur'an. The book also includes a chapter devoted to the description of the characteristics of Qur'anic tafsir, a chapter on interpretation of the Qur'anic verses (tafsir), and a chapter on the science of Arabic language.
