[Download](#)

April 13, 2020 This pack includes: Activity worksheets: You will not complete every page of the attached activities. Choose the ones that are best for your child. Use the worksheets to help your child develop skills related to aspects of their personality such as: attention, motivation, concentration. At the beginning of the session, you can talk a little with the child to let him know that you support him and understand what he is going through, but you cannot help him with the solution of the problem. You can take short breaks during assignments if needed,

even if the assignments require your child to sit
still.
