I have gathered a list of the best Call of Duty games out there. I have divided the list by release date and provide the game achievements, difficulty, minimum and recommended requirements, and which game is the best for beginners to veteran players. This list of the best Call of Duty games in 2020 is ranked in order, and includes all five Call of Duty games. If you're a Twitch streamer, then you're probably looking for the best Call of Duty games to stream. The options are vast, so it's difficult to make a list that will best suit all streamers. Most of these games are available for all platforms, but we have picked a selection for you to choose from. Sniper Elite 4 was my initial entry into the Call of Duty franchise. I was a fan of the series from the beginning, so Sniper Elite 4 came at a perfect time for me. The game's single-player mode takes place in World War II, when the Nazis were on the rise. You're the middle man in a black market weapons deal, however, the money runs out, and the Nazis catch up to you. To escape, you have to make your way across France and establish an underground resistance cell. I remember being an Xbox 360 owner who had to wait for the Call of Duty games to come out on the PlayStation 3. Boy, was I glad when the first two Modern Warfare games were released on the PlayStation 3. Call of Duty: World at War took the franchise to a new level. You really get to feel like you are in the trenches during the war, driving jeeps and shooting at Germans and Japanese in crowded streets. World at War proved to be the best Call of Duty game to date.

What can I say? I am a big fan of killing everyone. It's a firm belief of mine, that the more you kill people the better you are at this game. It's so, so simple. I started playing Call of Duty WWII today, and I've already finished the game. This is because it takes a lot of game time to actually kill people. I'm not entirely sure if I'm capable of playing any more, but I don't think I'll be complaining too much when I finish. For the last couple years, the Call of Duty games have all had one thing in common - they've been about military combat. To call Call of Duty: Black Ops 4 the most innovative Call of Duty game is like calling your new car a bicycle. There's a reason it's the best-selling all-time. ( Call of Duty: Infinite Warfare ). Call of Duty Modern Warfare 2 features for the first time in video games, the musical soundtrack of legendary Academy Award, Golden Globe Award, Grammy Award and Tony winning composer Hans Zimmer. The title picks up immediately following the historic events of Call of Duty 4: Modern Warfare, the blockbuster title that earned worldwide critical acclaim, including: For this list, we'll stick to the main entries in the Call of Duty series. This means excluding spinoff titles as well as simplified games released for previous-generation systems like World at War Final Fronts. With 19 eligible games, we had them battle it out to see which is the best. Call of Duty Modern Warfare 2 for PC has no dedicated server support, and likewise there is no native LAN. All game playing is to be done online with the help of Steam and IWnet facilitating the process. There are many PC users claiming foul cry. Why else was there a patch on 11/13/09 to bring updates to the IWnet matching making process This tutorial will show you how to become a smarter gamer/consumer, and how to play the game offline for legitimate purposes. To use this guide for any other use is not the goal of this guide at all, and we will not be helping you if you decide to go down that route. You have been warned.
