The pen contains 10 GB of memory to store your drawing and digital art files. Moreover, it has 50 multicolor LED indicators to help you to get a better view of your drawing. The pen is also compatible with CorelDRAW Graphics Suite X3 and CorelDRAW Graphics Suite 2020. The pen comes with a large storage capacity of 50 MB to store many designs. Besides, it has large capacity LED buttons on the pen for easy access. This drawing tablet has a built-in rechargeable battery that delivers performance at all times and not only when the tablet is connected to a power source. The battery is easily charged via USB cable. Plus, you can use the pen with any Windows computer and other tablet devices. The Apple iPad Air 2 is a lightweight device and its 18.5 hours battery life can last as long as your drawing session. The advanced pen technology allows you to touch and draw precisely. When you complete a drawing session, you can easily save the drawing and transfer it to your Mac with only one button, and you can erase the drawings using an eraser or an eraser shape. With CorelDRAW Graphics Suite 2020, you can use a built-in eraser to remove unwanted parts of your drawings, a built-in eraser shape to trace objects, a pencil tool to sketch your ideas, a tool to scroll the content and a brush to create beautiful illustrations, raster or vector designs. This iPad drawing tablet is a standalone product and not a data connection. Therefore, it does not require a power cable to be connected to the computer. But for portability purposes, it comes with a universal USB to iPad cable.
