At first glance, the language structure of Rivstart may appear rather complex, but in practice it is not as complicated as it looks. The language structure is very simple and the communicative tasks naturally lead the beginner into the most advanced grammatical structures. All in all, it is very handy to learn foreign languages with, and you can easily understand the entire material with a little practice. The Rivstart modules are taught in a logical order, so learning comes alive for you. The lesson plans consist of lecture introductions followed by language-focused instruction. The lessons are completed with exercises and listening comprehension practice. The narrative structures are extremely detailed, and the vocabulary makes learning a lot easier for you. Each lesson is built to end with a short speech directed at the learner. Nya reviderade Rivstart har ett uppdaterat innehåll och en tydligare struktur. Rivstarts teman uppmuntrar och inspirerar till kommunikation. Eleverna lockas att bli aktiva språkinlärare i och utanför klassrummet och fr själva upptäcka språkliga mönster och formulera grammatiska regler. Rivstart består av textbok, övningsbok samt lärarhandledning. Extramaterial som t.ex. webbövningar, och ordlistor finns tillgängliga på nok.se/rivstart. Teman i kapitlen och den grammatiska progressionen bygger på nivåbeskrivningarna i Europarådets nivåskala och Rivstart innehåller nivåerna A1C1. Rivstart B2+/C1 utkommer HT 2016. Rivstart har ett märkligt sammanhang: it is a language teacher but it also has a composition teacher. At the same time, all the exercises are well-structured and easily recognizable. The exercises, tasks and games are also very interesting, and it was a pleasant surprise to hear the exercises were not overfilled. All in all, the exercises felt like a learning tool created for the convenience of the learner. The exercises are based on real life situations and they are structured to make the learner ready for day-to-day communication. For those who study languages during the study of communication, this book is perfect!
