Version 1.0.1 + you can save your work! Version 1.1.0 + new trigger system + new music with new effects + new vocal lines + new dancing + new 3D model and voice + new animation + more and better special effects + Nicole now has a new singing voice with several new singing lines + Nicole now can sing in a variety of styles: rap, pop, ballad, country, jazz, etc. A 3D character, Nicole The Desktop Singer is an entertaining, smart and talkative 3D character. She answers all your questions and entertains you with her beautiful singing voice and dancing moves. The Desktop Singer was born out of an idea, which was already half-baked in my mind for more than a year. A few months ago I knew that 3D was the direction I was gonna go. I did some research and found out a lot of other 3D characters out there. I got inspired by those I found, and I
